Coinline Auction Number 66, November 2006

Welcome to Coinline 66, November 2006.

A couple of shows coming up namely the ANDA Fair on 13th, 14th & 15th October at the Rod Laver Arena and the Petersham Super Fair on the 31st of October. We will be at both shows with most auction lots so drop by and say hello. If you are connected to the internet I recommend you take a look at the Professional Coin Grading Service site. It can be found at PCGS.Com. PCGS is part of the Coin Universe group of companies.

I recently talked with PCGS and they hope to have the Australian Coin Registry up by January. If you wish to have coins graded you can download from their site or check with us at one of the shows. By becoming a member of the site you can also access the PCGS population reports.

A few great items sold this month PCGS graded include

*1937 Crown PR 63,

*1934 Proof set PR 63 to PR 65

*1919 Dot Below Penny PR 65 Red

*1920 Dot Above Penny PR 64 Red & Brown

*1887 S Jubilee Sovereign MS 64.

(two coins in the Reserve Bank sale which would struggle to MS 62 Realised \$10,000 + each)

*1915 Penny MS 64 Red & Brown

*1913 Florin AU 55

In for grading at the moment a complete set of 1955 to 1963 Silver & copper in proof sourced from a collector who purchased the coins at time of issue. If this is something of interest to you please give me a call.

Still working on our new site Aussie Graded Coins and hope to have some stock up mid November.

Prices realised up a couple of days after the sale. Good Luck with bidding.

Regards Chris Buesnell
